

## Stargazing Live at St Christopher School, Letchworth

Location map:

**Public entrance to the main car park is via Cloisters Road**, then turning into the eastern section of Barrington Road. The approach and the car park are shown in **purple**.

An overflow car park is accessible via the western section of Barrington Road, directly off the A505. As you approach the school, turn right into the car park. The approach and the car park are shown in **orange**.

Telescopes will be set up in the field, along the area marked in **red**.

The astronomy talks will take place in the Social Library, shown in **yellow**.

The dotted **blue** line shows the route to the Social Library from the main car park.

The dotted **white** line shows the route to the Social Library for foot visitors arriving at the front of the school.

The dotted **yellow** line shows the route between the Social Library and telescopes on the field.
